

Prometheus Acquisitions, LLC Acquires HB Fuller Elkhart, IN facility

Lafayette, NJ. Prometheus Acquisitions, LLC announces that it has acquired the Elkhart manufacturing facility of HB Fuller (St. Paul, MN). Included in the purchase are the products sold under the PARR and PTI tradenames. Prometheus will operate this business as PARR Technologies, LLC and focus on growing and expanding its two main product lines, rubber based adhesives and butyl tapes.

Terms of acquisition were not disclosed; however PARR Technologies will continue to toll produce certain HB Fuller products which were also manufactured at the facility.

Peter Brian Russo will serve as President of PARR Technologies, LLC. Other officers include, James Tonges, Vice President of Sales and Marketing and John Ohrazda, Vice President of Operations. For more information please contact Prometheus Acquisitions, LLC at 973 702-1930
